## FIREARMS & GUNSMITH

**Paint Firearms with Dura Kote:** *(single or two tone)*

Most Firearms	\$225.00
Specialty Finishes (Chrome, Nickel...)	POR
Cold bluing	\$100.00 (min)

*All finishes start with completely stripping the weapon. Then blasting it with aluminum oxide to remove the old finish and any minor rust and marks. This process gives the metal a very good base for the new finish.*

**Action jobs Add \$80.00 to the below prices.**

**Reliability Package:** *(on most Semi autos below)*

Reliability Package	\$175.00 & up
---------------------	---------------

**Trigger Jobs:** *(\*includes reduced power spring to lighten pull)*

Smith & Wesson DA-SA Taurus, Ruger, Colt, Dan Wesson & Clones	\$85.00 (includes reduced power spring kit) When Applicable
Glock Reduce trigger pull 3.5 pounds and <b>over travel eliminated</b> , bothersome pre-travel and allows fast reset for improved accuracy and quick shot recovery.	\$95.00 (includes trigger connector )
Glock Internal Thumb Safety by Cominolli	\$145.00 (includes parts)
Browning*	\$65.00 plus parts
Sig Sauer, H&K*	\$75.00 plus parts
